DYSART COUNCIL DISCUSS RENT SUBSIDY ON O.P.P. RESIDENCE

Dysart municipal council met on Saturday morning last with commissioner Stringer of the Ontario Provincial Police sitting in with the council to discuss the rent subsidy being paid on the residence and office of provincial constable Langton in Haliburton.

The commissioner gave a brief account of the events which resulted in provincial constable Langton being stationed in Haliburton and made it quite plain that if it were the council's wish the OPP would be withdrawn from Haliburton and let the municipality assume the responsibility of policing the area.

The council assured commissioner Stringer that they were well satisfied with the present arrangement with the exception of having to subsidize the local provincial constable to the extent of \$55 on his rent.

The commissioner stated that the question of rent was out of his jurisdiction and stated that this was a matter for the council and provincial constable Langton to settle.

Commissioner Stringer, while not as yet willing to make any commitments, stated that it was quite possible that in the not too distant future an additional constable would be sent to Haliburton to assist provincial constable Langton.

During the regular session of council reeve Noice and councillor Nicol became involved in a heated argument over a letter appearing in last week's Echo over the signature of Elizabeth M. Nicol.

Reeve Noice angrily charged councillor Nicol with deliberately trying to mislead the ratepayers and cited the assertion in the letter that with the withdrawal of the telephone commission from the municipal office the clerical work will be reduced 50-60%. "You know that statement is wrong as you heard our auditor Mr. Middleton state that the work would be reduced by 35%," Reeve Noice also took exception to the assertion contained in the letter referring to the motion re-engaging Mrs. Hodgson as having been assumed carried.

Councillor Nicol said: "All right, I will make a retraction."

The reeve then stated that in his opinion any councillor who could not state his position at the council table without writing to the press was acting in a manner unfair to the other members of the council.

Councillor Nicol hotly replied that she would write the press any time she felt like it.

"Well for goodness sake, tell the truth then," said the reeve.

The reeve then charged councillor Nicol with having a spite at Mrs. Marjorie

Hodgson and with doing her best to force her out of her position with the municipality.

Council then got back to normal and the accounts were considered and presented to council for payment.

During the morning Dr. Carroll, MOH, sat in with the council and gave them advice as to the course to take with regards to a number of people who seem destined to become lengthy charges of this municipality.

The tender of the Thompson Construction Co. of 75c per yard for 6,000 yards of gravel was accepted by council.

A letter was read from the Rev. Jas. O'Neill suggesting the matter of holding a civic church service, was favorably received by the council and they suggested that such a service might well be held during the month of May.

Councillor Emmerson drew the attention of the council to the condition of the road from Jack Emmerson's to the golf course road. Road overseer Roberts stated that it would require about \$6,000 to put this road in condition. A motion proposed by councillor Emmerson to have the road overseer go over the road and report back to council was approved.

After consultation with fire chief Chambers council approved the purchase of four pump tank fire extinguishers to be placed at the control of responsible persons in the hamlets of Donald, West Guilford, Eagle Lake and Harcourt.

Council approved the appointment of Phurness Watt as deputy fire chief.

Just before the conclusion of the session deputy reeve Sisson, who has been absent from the session of February 4, when a motion was passed re-engaging Mrs. Hodgson maintained that the motions re-hiring Mr. Windsor and Mrs. Hodgson at their present salaries were out of order.

The deputy reeve stated that the telephone system pulling out meant that the municipality was forced to make up the amount now being paid by the system and this constituted a raise in salary in both cases necessitating the passing of a by-law to re-engage the clerk and his assistant. After some argument a by-law was prepared on motion of councillor Emmerson and seconded by Clarence Horsley to the effect that Mr. G. H. Windsor be re-engaged at a salary of \$3,240 and Mrs. M. Hodgson at \$2,100.

Prior to the second and third readings of the by-law quite an argument developed in which every councillor as well as reeve and deputy reeve were involved.

Reeve Noice stated that we had now an excellent and faithful staff and wanted to know if council was prepared to discharge these true and tried servants for others

of doubtful quality.

Deputy reeve Sisson stated that it was costing too much to run our municipal office now and that he felt that the cost should be reduced.

Councillor Horsley disagreed and cited the great developments taking place within the municipality and the ever-increasing amount of work going to have to be done in our municipal office.

The by-law was given three readings and approved with councillors Emmerson, Horsley and reeve Noice approving and councillor Nicol and deputy reeve Sisson registering nay votes.

Dysart Home And School

The next meeting of the Dysart Home and School Association will be held in the county district high school on February 20 at 8 p.m. where a most interesting program awaits you.

You have probably heard of the Ontario spelling bee being sponsored by the Ontario Educational Association and financed by the Toronto Telegram. The best speller selected from the schools in this district will try for the semi-finals at this meeting, being conducted by Mr. A. Stouffer and the winner will go on to the zone finals which will be held at the Peterboro Teachers' College on March 21. The provincial finals will be held in Toronto on April 5. Who knows! Your boys or girl could reach the finals.

Also on the program will be the showing of two excellent films in color by the Peterboro detachment of the armed services. No one should miss seeing this.

Do you remember the response given to our panel discussion held a few months ago? This had far-reaching results—a report of which is given elsewhere in this paper.

Your Home and School Association needs the support of every parent interested in the welfare of their children and this being founders night we are especially looking forward to a bumper turn-out.

A worthwhile project your Home and School Association is sponsoring is the providing of vitamin capsules to all elementary school children and in order to provide funds for this a dance is being held at the Canadian Legion hall on Friday, February 24 to which the local branch of the Canadian Legion is giving its fullest support.

Can we count on your support? Two dates to remember—February 20 at the district high school 8 p.m. and February 24, Canadian Legion hall, 9.30 p.m.

Juvenile Hockey Problem Solved

MINDEN

On Monday evening, February 13 a meeting of the recreation centre committee took place at the municipal office. Present were F. Brooks, J. Lister, Lance Easton, G. Lytle, L. McKnight, M. Vasey and Harold Morgan, with the press reporter also in attendance.

After the reading of the minutes of the previous meeting and the passing of the accounts, Mr. Garnet Lytle gave a resume of the events of the past few weeks which had led up to the present unsatisfactory state of affairs in connection with minor hockey.

Mr. Lytle reminded the meeting that in late November or early December they had rented the ice surface to the Rotary club for the sum of \$300, it being understood that for this figure the club would have the use of the ice for juvenile hockey on Friday evenings up to 9.30 p.m., and also on Saturday mornings. The next thing they hear is that the ice has been sub-let by someone not connected with the recreation committee for the sum of \$175 to the Rockcliffe Rockets hockey team and, because of this the minors had been so crowded off the ice that Mr. Lance Easton had had no alternative but to accept the offer of the Haliburton rink to take the children up there for their games, provided he could get the necessary transportation for them.

Mr. Lytle pointed out that the whole thing had, in his opinion, been done in a very underhand fashion. He felt that the Rockcliffe executive should have approached the recreation committee asking if there were an evening available for them, when he was sure that something satisfactory could have been arranged at the usual 60/40 split, and without interfering in any way with the Friday evening reservation made with the Rotary club for juvenile hockey. "This arena was never intended to be used for the purpose of private enterprise," concluded Mr. Lytle. "It is the taxpayers building and everyone has a right to use it, and I certainly don't think it should be sub-let by anybody."

"As I understood it," said Fred Brooks, "it was agreed that Lance have the arena for the kids until 9 p.m., and after that, if the Foamblowers wanted to have a game they could."

"That is what they approved of," commented Mark Vasey, "when I was at the club dinner."

John Lister: "What burns me up about the whole deal is that nothing was said to the arena board until the Rockets walked in."

"I agree," commented Garnet Lytle. "I am not pointing one finger at any member of the team—I think they're a fine bunch of fellows—but they could have come to us and said they were getting a team together and could they have the use of the area."

Lance Easton: "Well, I suppose I'm to blame as much as anybody for what has happened. I figured the children would be off the ice around 9.30, and when Bill Hawkins said they would like to use the ice after that time, I told him it would be fine by me. When I found they were coming in early and crowding the children off the ice what I should have done was to have raised a big beef then; but rather than cause any more trouble I decided I would take the children to Haliburton twice a week, where I could get the ice for

nothing, and I intend to go to Haliburton for the rest of the winter."

Mark Vasey: "You are putting the recreation committee on a spot when you take your team away to Haliburton twice a week to play hockey, because as soon as you do that we are subject to a lot of ridicule and complaints from parents. Before you should do this, you should say 'No Rockcliffe Rockets!'"

Lawrence McKnight: "Well I don't agree there. By being in the Rocket's team there are one or two good boys who are able to get in some practice. There is no hockey for them otherwise. And in time they may be playing for the Monarchs. What I think is wrong is if the Rockets are going in before nine and the kids have to go up to Haliburton."

Lance Easton: "I feel that we have to use some diplomacy about the thing. The Rotary attitude is that they have done nothing wrong, but I think there has been a lot of fault on both sides, and I was to blame as much as anyone."

After further discussion it was agreed to write to the Rotary club offering them the ice surface on Fridays from 4 to 6 p.m. and 7 to 9.30 p.m. and on Saturday mornings on request, subject to ice conditions for the sum of \$200 for the remainder of the season. It being understood that someone must always be in attendance on the children.

A further letter was also composed to the Rockcliffe Rockets offering them the ice surface after 9.30, the charge to be a 60/40 split according to the by-law. A copy of each letter to be sent to the respective clubs so that each should know the exact position.

Mr. Fred Brooks suggested that in future contracts should be drawn up and signed by both parties which procedure would eliminate any further misunderstandings of this kind.

The meeting adjourned.

HALIBURTON Weekly Roundup

Perhaps you were wondering why all the sports cars were in Haliburton over the week end. It seems that a number of sports' car enthusiasts in Montreal and Toronto were making a round-trip jaunt to their respective cities. Curry Motors in Haliburton was designated as one of the checking points.

We have learned that the ratepayers' association of West Guilford have been making enquiries from the municipal board as to the advisability of incorporating the township of Guilford.

Winners in the big bingo jackpot in the Haliburton Orange hall on Tuesday evening were Mrs. Fred Reynolds, Mrs. Max Archer, Mrs. Gordon Nichols and Mrs. Charles Parish. Each of these lucky ladies won \$100 in cash.

We are glad to report that as we go to press it is learned that the condition of Mr. Arnold Roberts of Haliburton is much improved. We join his many friends in hoping that he will make a speedy recovery.

The annual Shrove Tuesday pancake supper held in the Haliburton Orange hall by St. George's W.A. was a most successful event.

Pen Pictures of Parliament

—Portrait, Bright's Studio, Lindsay.

by C. W. Hodgson, M.P.

Five weeks of this session are already past and business has been going along faster than usual, but the House hit a snag this week over the government bill on guaranteed bank loans for stored wheat at an interest rate of 5%. The opposition believes that as the government have put themselves in the position of buyer and seller of wheat, and as the wheat belongs to the government as soon as it is threshed (because they accept it and pay the farmer 20% as down payment and the farmer cannot sell it to anyone else) the government should give the farmers cash loans, free of interest, to give them something to live on, which amounts approximately to 10 cents a bushel. This debate has been extended for four days.

St. Anthony Eden, Prime Minister of Great Britain, addressed both houses of parliament in the Commons chamber while in Ottawa last week. He is a very brilliant statesman, well versed in the word political situation. He was a guest of the governor-general at Rideau Hall, and held conferences on trade, foreign affairs and defence with ministers of the cabinet.

The Prime Minister held a cocktail party at the Rideau Club where all members of parliament had the privilege of meeting and talking with him personally. Amid affectionate farewells Eden's departure had a sentimental touch. In a happy and buoyant mood, boarding his plane at Uplands on Wednesday afternoon, Prime Minister Sir Anthony Eden spoke cheerfully of the full agreement he had found in his five days at Ottawa. With his foreign secretary, Selwyn Lloyd, and a small group of aides, Sir Anthony went aboard the British Overseas Airways Corporation's big silver double-decker Boeing Strato-cruiser at 3.25 p.m., was taxi-ed out to the end of the runway on the prescheduled dot of 3.30 and was air-born at 3.44 p.m.

The Prime Minister passed his 74th birthday last week. He entered the chamber with a large red rose in his lapel and received a great ovation from both sides of the house. George Drew, in a few appropriate words, congratulated Mr. St. Laurent, mentioning also Mrs. St. Laurent, who was present in the member's gallery. The Prime Minister is not by any means the oldest person in parliament, as there are 11 of his own party whose ages range from 71 to 83 years.

Walter Tucker, Liberal M.P. for Rosthern, Sask., has just had his finest hour. He has been shot at. This honor, reserved usually for kings, presidents and premiers, happened him at Matlock, Man. Walter was rambunctious on

CARNARVON

(Intended for last week)

A crokinole party was held in the basement of the United Church on Wednesday night under the auspices of the W.A.

Everyone was shocked to learn of the death of Mr. Cecil Bacon who was accidentally killed on Wednesday while working in the bush. He was rushed to the Haliburton hospital but died shortly after being admitted. The funeral service, conducted by Mr. Stuart Wilson, was held on Friday afternoon at the West Guilford Chapel. The body was laid to rest at the Maple Lake United Church. Pallbearers, who were his fellow workers, were Messrs. Sinc. Nesbitt, Frank LaPorte, Chesel Nesbitt, Marshall Harrison, Jamie Chambers and Eldon McCracken. Other representatives of Cecil's places of employment were Mr. Pat Wadell, superintendent of Hay & Co., Mr. B. Sawyer of Hay & Co. and Mr. Maurice Windsor of Carnarvon Lumber Co. The sympathy of the community is extended to the bereaved wife, the former Mabel Packard and family.

Mr. and Mrs. M. B. Windsor left for their vacation in Florida on Sunday. Mr. and Mrs. Charlie Skeiding will keep house for them while they are away.

Visitors in Lindsay on Saturday were Mr. and Mrs. Bob Cowan, Mr. Benny Harrison and Mr. Russel Packard.

Mr. Milton Cooper motored to Toronto on Friday night where he boarded a plane for Vancouver where he will join Mr. Ken Buchanan.

WEST GUILFORD

(Intended for last week)

Many friends wish a speedy recovery to Mrs. Lloyd Priest who is ill.

Mr. and Mrs. George Richardson of Olive Lake were visitors at the home of Mr. and Mrs. Murray Scott last Friday.

There was a wedding dance in the school auditorium last Saturday evening for Mr. and Mrs. Allan Sipe.

St. Andrew's W.A. ladies held a regular meeting at the home of Mrs. Ross Pritchard Monday evening.

Mr. and Mrs. S. Moore and daughter Betty, accompanied by Miss Anne Casey, Miss Elizabeth Colson and Miss Gail Glegg all of Toronto, were visitors at Moore's summer cottage on Grass Lake. They had an enjoyable week end skiing and tobogganing on the lake.

Many friends wish a speedy recovery to Mr. J. M. Prentice who is sick in bed with mumps.

the TV when an aged resident, resentful of Mr. Tucker's defence on the Liberal grain loan policy, grabbed his shot gun and let Walter have it. The Manitoba resident who got his dander up so high that he shot barrel-chested Walter, managed to wreck his own television machine.

The number of classified civil servants on the federal government payroll for October 1955 was 141,589 according to figures issued today by the Dominion Bureau of Statistics; 1,479 more than for October 1954. Total salaries paid these civil servants for October 1955 was \$36,949,261 which compares with \$36,084,397 for October 1954.

Casual government employees number 15,214 in October 1955 and were paid a total of \$2,811,363 in that month. This was an advance on October 1954 when 14,678 casual employees were paid a monthly total of \$2,548,237.

NOTICE

NOTICE is hereby given that the Municipal Council of the Township of Stanhope proposes to pass a by-law closing part of the original allowance for road sixty-six feet in perpendicular width laid out along the shore of Little Hawk Lake now covered by water and lying in front of Lot 19, Concession 10, of the Township of Stanhope, in the Provisional County of Haliburton and described as follows:

COMMENCING at a point on the inner limit of the original allowance for road, the said point being distant 53 feet measured on a course of North 18 degrees 38 minutes East from an iron bar known as "A" distant 3193.3 feet measured on a course of South 60 degrees 46 minutes East from the North-West angle of lot 18 in the said Concession 10;

THENCE North 18 degrees 38 minutes East 122 feet to the original high water mark along the shore of Little Hawk Lake;

THENCE in a general southerly and South-easterly direction along the said high water mark 200 feet be the same more or less;

THENCE South 18 degrees 38 minutes West 69 feet to an iron bar planted in the present high water mark which is distant 150 feet measured on a course of North 71 degrees 22 minutes West to the said iron bar known as "A" hereinbefore described;

THENCE in a general North-westerly direction along the present high water mark to its intersection with the inner limit of the original road allowance and thence along the said inner limit to the point of commencement,

and to sell the same to Her Majesty the Queen in Right of Canada.

AND FURTHER take notice that the said Municipal Council will on the 14th day of March, 1956 at ten o'clock in the forenoon in the Council Chambers at the Township of Stanhope, hear in person or by his counsel any person who claims to be prejudicially affected by the passing of such By-law.

MINDEN AGRICULTURAL SOCIETY HOLDS ANNUAL MEETING

Sixteen members were present at the annual meeting of the agricultural society, held on Monday, January 30 and heard the minutes and treasurer's report read and adopted.

The society decided to pay prize money to the children from the Gelert and Lochlin schools who exhibited under the public school exhibit.

It was also decided, after some discussion, to again place the agricultural class in horses on the prize list.

The following officers were elected for the ensuing year: president, Frank Welch, first vice president, Orville Hicks; second vice president, Garnet Lytle; secretary treasurer, Mrs. Garnet Lytle; directors, Leslie Prentice, Carl Dugan, Mervin Gilbert, Gordon Sharples, Mrs. M. Macarthur, Vinton Loucks, Will Dugan, Jas. Graham, Roy Hughes, Fred Wright, Mrs. Hagar, Mrs. Gerald Hicks, Mrs. J. Dollo and Carl Francis.

The society is most anxious to enrol new members to help this very worthy organization, now in its 92nd year to carry on.

Saturday, September 15, was the date chosen for the holding of the fair this year.

EUCHRE PARTY SPONSORED BY L.O.B.A.

A most enjoyable evening was spent recently when a progressive euchre party, under the auspices of the LOBA was held in the Orange lodge at Minden.

Mrs. Albert Pogue received a prize for the highest score for the ladies and Bill and John Hounsell were each presented with a prize, having tied for the men's high score. Mr. and Mrs. Jimmie Hie were awarded consolation prizes.

Delicious refreshments were served by the ladies and the evening was voted a great success.

PER COPY

MINDEN ROTARY

This was our annual ladies night and was held in the Anglican parish hall in Minden where a group of nearly 70 partook of an excellent turkey dinner provided by the Guild. The clubs at Haliburton and Fenelon Falls were well represented.

An interesting program was provided under the direction of Ross Woolley and Lance Easton. Mrs. Marilyn Stouffer was the accompanist of the evening, including two beautiful solo numbers by Mrs. Lorne Coburn.

Special speaker of the evening was Dr. Cecil Swanson, rector of St. Paul's Church, Toronto, and a member of the Rotary Club of Toronto.

The doctor notes that this was his first visit to this part of the country, although we found from his talk that he is very widely traveled. He noted that his introduction to this county was impressed by contact with the top of the car as it took off on a bump on highway No. 35 just inside our boundaries. (Department of Highways and Chamber of Commerce please note.) Also as a resident of British Columbia for some years he was rather surprised to find that Ogo-pogo is alleged to inhabit these parts.

His talk, while referring to times and places in Canada, centred around his trip to England at the time of the coronation and he not only vividly described that event, but also about his wide trip through England and Scotland with special reference to the great cathedrals and smaller churches noting that there something must be at least 300 years old to get notice and that some places of worship have histories going back 1,300 years. This is the more startling when note was made only a few years ago in Vancouver of a man who had in his life time seen the first trees cut on what is now that city's main street!

The good doctor lead us around verbally over that country for over one hour but with such ability that few realized the passing of time.

He was thanked on behalf of the club and guests by Tom Newell.

—Tom Brignall.

MANY SPLENDID REPORTS ON CHURCH WORK

After enjoying a pot luck supper, St. Paul's church held their annual vestry meeting which opened with the Lord's Prayer.

The minutes of the annual meeting for 1955 were read by the vestry clerk, Mr. Garth Kellett, followed by the election of Mr. Earl Hewitt for the ensuing year.

The Rev. E. R. Woolley expressed his sincere thanks to those who had given of their time to work on behalf of the church, and also mentioned the appreciation felt by himself and his family for the help and co-operation given by so many members of his parish.

The various organizations now presented their reports of the work accomplished during the year, each one indicating the tremendous amount of enthusiasm and interest shown in the church's activities.

New officers elected were: Mr. J. O. Jackson as minister's warden; Mr. L. McCarey as people's warden and secretary-treasurer; Mr. J. M. Irwin is the chairman of sidesmen for the coming year and Mr. John Hewitt and Verne Graham are lay delegates to the synod.

This year being the 90th anniversary of the church it was suggested that a gift from the congregation would be appropriate. After much discussion a new organ was decided upon and a motion passed to elect an organ fund committee comprising the following members: The Rev. E. R. Woolley, the presidents of the Girls' Guild and the W.A., Miss Joan Hewitt of the Sunday school, organist Charles Brandon, choir-leader Mrs. Lorne Coburn, and Mr. J. M. Irwin. Ways and means of raising money are now being discussed and will be announced later, although it has been decided that the organ will not be purchased until the desired amount is available.

The cemetery now came up for discussion and it was the unanimous feeling of all present that there was room for improvement where existing conditions were concerned. A meeting of the cemetery board is to be held to consider any suggestions put forward.

The Rev. Woolley informed the meeting that several guest speakers have been invited to speak at the special services which will be held throughout the coming year.

The meeting adjourned with the pronouncement of the benediction.

"MOTHERS MARCH ON POLIO" CAMPAIGN BY W.I.

We learn that the Women's Institute have been asked by the Canadian Foundation for Poliomyelitis to conduct a campaign for the purpose of raising funds to combat this dread disease.

The Minden branch has decided to hold a "mothers march on polio" campaign and it is their intention to march from house to house on Thursday, February 16.

It is the sincere hope of the institute that every citizen called upon will give of their kind co-operation and do all in their power to ensure the success of this worthy cause.

Neil Burk Invited To Tryout With Junior A Team Next Fall

The Detroit Red Wings of the National Hockey League had one of their scouts in Sutton on Friday night looking for new talent in the game between the Haliburton Huskies and the the Sutton Greenshirts.

The scout was quite taken with the smooth play of the Huskies' forward star, 16-year old Neil Burk. He liked

his play so well that he has invited Neil to attend the training camp of the Hamilton Tiger Cubs of the junior "A" OHA next fall.

Hamilton is a farm club for the Red Wings.

Neil, who hails from Lochlin, is playing his first season with the Huskies and we wish him the best of luck in his tryout with Hamilton.

SKATING CARNIVAL AT WILBERFORCE

The annual skating carnival of the Monmouth community centre took place on Friday, February 10 with a large crowd in attendance.

A number of races took place in which the children took part. The winners were as follows.

Boys, five and under, Darrel Tighe; 2 Billy Watson.

Boys six and under, 1 John Grozelle; 2 Peter Watson.

Boys eight and under, 1 Ronnie Riel; 2 John Mathers. Boys 10 and under, 1 Roy Riel; 2 Wayne Cully.

Boys 12 and under, 1 Curtis Way; 2 Wayne Cully.

Girls eight and under, 1 Patsy Watson; 2 Dawn Wallace.

Girls 10 and under, 1 Gloria Herlihey; 2 Sharon Warren.

Girls 12 and under, 1 Bonnie Johnston; 2 Gloria Herlihey.

Part of the entertainment of the evening was a display of figure skating including, a duet by Shirley Godfrey and Beverly Hughey; a solo by Bonnie Johnston; a solo by Gloria Herlihey; a solo by Sharon Parish of Haliburton and a trio by Sandra Young, Sharon Warren and Gloria Herlihey.

The figure skaters all did very well and are to be complimented.

There were quite a few costumed skaters and some of the costumes were quite unique. The prize winners were:

For comic or original costume, Mrs. Wm. Bert (Shorty) and Mr. Gary Agnew (comic in underwear).

Best dressed skater, 15 and under, Patsy Watson (bride) and Darrel Tighe (Reddy Fox).

Best dressed couple, Mrs. Mihalko (ghost) and Mrs. Broughton (clown).

Oldest skater, Mr. A. W. Cameron.

Youngest skater, Arnold Trip, aged four.

Oldest couple skating, Mrs. Mihalko and Mr. P. Tighe.

Oldest lady in the rink, Mrs. McCrae.

The door prize consisted of an upholstered chair, was won by Mr. Simonais. Mr. Herb Watson won the contest for guessing the number of beans in a jar, and Miss Sylvia McNeely guessed the nearest to the number of admission tickets sold.

After the judging of costumes was over all those who had skates with them spent the remainder of the evening on the ice.

Generous prizes were given to all who won races and costume prizes. Many of the prizes were donated by people of the district.

The program for the evening was arranged by Mr. Floyd Tighe. Mr. P. Tighe was master of ceremonies and the judges for costumes were Mrs. H. Finlay, Mr. P. Mihalko and Capt. Stringer. Mr. Kemerer assisted with the races.

REX BOICE'S RINK WINS CARLING TROPHY

Rex Boice and his rink from Haliburton have won the league championship for the Haliburton curling club.

The schedule for the season ended this year with Rex and his rink finishing up with a record of nine wins and two losses out of 11 games. This was a good record for the team and a good record for Rex as this was his first year as skip.

The rink consisted of Jack Young, lead; Stan Walsh, second; Pete McLean, vice skip; Rex Boice, skip.

In the final game Boice's rink defeated Bill Burt by the score of 14-5. Rex is now off for a vacation in the south and Al Perrin will take the rink into the playoffs.

Bowling News

Medley's Thursday Ladies' Bowling League had a very successful turnout this week with many new bowlers taking part. Strikes and spares were making quite a hit. A prize is given for high three games each week. Watch this paper for further news.

MINDEN

Mr. and Mrs. Bill Coneybeare are very happy to announce the arrival of their chosen daughter, Edith Gaye. Congratulations to you, Bill and Edith.

Mr. and Mrs. J. M. Irwin left on Tuesday afternoon on the first stage of their journey to Florida, in company with friends, Mr. and Mrs. Gordon Boyd of Midland, Ont.

Mrs. Stroud has been spending a few days with relatives in Toronto.

Mr. D. C. Wallace of Scarborough and Mr. E. C. Hodson of Toronto were business visitors to the village over the week end.

Mrs. L. Coburn and Mrs. Percy Brintnell attended the 31st annual meeting of the Lindsay Presbyterial of the Women's Missionary Society of the United Church of Canada, which took place at the Queen St. United Church on February 7.

Miss Mary Stouffer of Stouffville visited with her parents, Mr. and Mrs. A. Stouffer over the week end.

Mrs. Marie Lewington of Kinnmount was a business visitor to the village on Monday last.

Miss Shirley Cox of Peterboro was in Minden at the week end visiting with her parents and friends.

MONARCHS GO ON REAL SCORING SPREE

The Minden Monarchs went on a real scoring spree on Saturday night when they took the cellar dwellers Omeme into camp by the score of 14-5. The Monarchs had little or no trouble at all in dumping the Omeme club who only have one win for the season's play.

A fairly good crowd sat in to see Marcel Pryor of the Monarchs rap in six goals to lead Minden to the win. Gary Vasey collected three, Hugh Vasey tallied twice and Eston Watt, Bob Manson and Lanz each tallied one goal each.

The win for the Monarchs brought them within two points of the front running Little Britain crew.

The Monarchs are hoping to jump into first place before the schedule is completed.

Battle In The Barnyard

When it comes to farm management, an "ounce of prevention" can be worth literally millions of pounds—pounds of meat and poultry and dairy produce which the nation stands to lose through animal diseases. Since livestock products account for 60 per cent of farm income, protecting animals from disease is a major problem for American farmers. Livestock diseases often hit hardest in spring months, when the newborn animal population reaches a peak. The young animals fall easy prey to deadly microbes during the first few weeks of life, before natural defenses can be mustered. This spring an estimated 66 million pigs, 7 million dairy calves, and more than a billion chickens will be added to the nation's barnyard population. But unless preventive measures are taken, diseases such as scours and pneumonia will cut down three out of 10 pigs and three out of 12 calves. Millions of chicks, too, will be stricken.

Although the newborn animals themselves are defenseless against microbial onslaught, modern science in recent years has developed some effective means of protecting them against once-deadly diseases. Terramycin, for example, a powerful antibiotic, has proved effective in preventing and treating scours, pneumonia and other diseases of pigs and calves, and in clearing up open-wound infections. Added to drinking water, Terramycin wards off infection and helps both to reduce chick mortality and end laying slumps.

Animal diseases are still plundering farm revenue at a rate of more than \$2 billion a year. The U. S. Department of Agriculture believes, however, that much of the loss can be prevented by presently available means. And, the Department adds, "much more can presumably be prevented by further research."

Letter to the Editor

Box 300,
Haliburton, Ont.,
Feb. 15, 1956.

Mr. Berkeley Feir, editor,
Haliburton County Echo,
Haliburton, Ont.

Dear Mr. Feir:

Dysart is still in for dark days, or seemingly it is! Woe to the councillor that writes letters to the press! As reported elsewhere in this issue Mr. Noice, reeve of Dysart rebuked me severely at council Friday, February 10 for that very thing.

Reeve Noice started his tirade by saying that "if you were a man." I assured him he must not let that deter him. Humorously enough, it didn't! After much roaring by the reeve and myself, I did say I would make any correction in this week's issue of the Echo.

Mr. Noice's general feeling is (a) that council deliberations should be dealt with at council meetings; (b) at the adjournment of council such deliberations should be left at council table. At this stage Mr. Emmerson, councillor of ward two, concurred with the reeve and intimated that if council matters were discussed outside council and in the press that he would be obliged to resign!

Further expatiation by Mr. Noice and I realized that Mr. Noice took umbrage particularly at three phrases in my letter; (1) 50-60% of office work was telephone commission work; (2) "this motion was assumed carried;" (3) "reeve Walter Noice did not vote."

I will be obliged to go back to the meeting, an emergency meeting, on Saturday, February 4, which was graced by the presence of one of the auditors, Mr. Middleton. At that meeting I asked Mr. Middleton if he had any idea what breakdown of the work in the municipal office would be. That is I said, "Could you tell me what percentage of time was spent on municipal work and what percentage of time was spent on the telephone commission work?"

Mr. Middleton said: "That would be pretty difficult to ascertain, Mrs. Carroll."

I told him that I understood that such a breakdown of time had been made in 1951 or thereabouts, I thought it was when Harold Black was reeve.

Mr. Middleton gazed out the window and thought a moment and said: "Yes, that's right we did."

I said that I had heard that at that time 60% of the time was spent on telephone commission business.

Mr. Middleton said: "That's right, Mrs. Carroll, but you understand, at that time the telephone commission was expanding and new installations were being made." He continued, "Of course now I venture to say that about . . . say . . . about 35 or 40% would be the time spent on the telephone work."

I will say, good sir, that I did at the time let this ride. But in enquiring from the telephone commission I learn that after this expansion and new installations (60% of the work was telephone at this time) that 250 telephones were added to the system which practically doubled the subscription list. How the amount of telephone commission work COULD decrease in the face of this is ridiculous. I said this at council on February 10 and Mr. Noice said: "Why our own auditor said 35 or 40%." A man we pay to tell us these things and you don't believe him.

I said: "That's right, I don't believe him because his remarks didn't make sense." I further stated that I felt that the only reason we had

an emergency meeting on Saturday, February 4 was to hear Mr. Middleton extol the wonders and efficiency of Gilbert Windsor and Marjorie Hodgson.

"Good God!" declared the reeve, "now you are suggesting collusion. Betty, you are suspicious of everybody."

I agreed that I was.

Mr. Windsor—of all things—then made a point that at the time he told Mr. Noice that Mr. Middleton would be here that Mr. Noice had not yet called the emergency meeting. Whereupon I roared, that what Mr. Windsor said bore out the point that I was making.

Certainly up until that emergency meeting Mr. Noice had agreed with deputy reeve Holly Sisson and myself that the salaries had to be cut. Mr. Noice even voted nay with Mr. Sisson and myself at the Friday, January 27 meeting.

I pointed this out to the reeve and said I thought he was inconsistent. The reeve ignored the point and said he had called the emergency meeting for the following reasons, namely: to reach some conclusion as to the matter of the OPP rental and to deal with unfinished business.

I questioned this because Mr. Noice had lead me, and you Mr. Editor, to believe that inspector Stringer of the OPP would be at the emergency meeting early in the morning of February 4. All we met was Mr. Middleton, who to my way of thinking was like that old wartime tune "I Came Here To Talk For Joe"—which he did.

Mr. Noice also did not like the statement in my last letter which read "this motion was assumed carried."

Naturally, the fact that I said that was borne out when deputy reeve Holly Sisson declared that the motions were without any legality as Mr. Windsor and Mrs. Hodgson were hired by by-law. Mr. Noice argued this point with Mr. Sisson but the clerk backed Mr. Sisson by producing the by-law. This did prove that the motions were invalidated. A new by-law was drawn up re-engaging these two officials and was read a first, second and third time and passed, with myself and Mr. Sisson voting nay.

The last item which roused the reeve's ire was (3) "the reeve Walter Noice did not vote." This statement was written on the advice of Mr. Noice during a telephone conversation after the council meeting of Saturday, February 4. Mr. Noice contended that he did not vote because it was unnecessary because the motion had been carried on a two to one vote. Mr. Noice at that time was under the impression that the reeve only had a vote in case of a tie. This is a well-used fallacy in Dysart because according to the Municipal Act, section 216, the reeve may vote on any question or subject.

In conclusion, such a detailed account of council proceedings is most distasteful to me but however due to the insistence of the reeve I felt this was the only course of action open to me. I feel that this letter should clear this matter up to the reeve's satisfaction as well as enlighten the ratepayers on council proceedings.

I did make clear to reeve Walter Noice that I would continue to write letters to the press both as a ratepayer and as a councillor when the need arose.

Thanking you for this valuable space, I remain,

Sincerely yours,
Elizabeth M. Nicol,
councillor, ward one,
Dysart et al.

LOCHLIN

Mr. and Mrs. Bob Hughes of Minden called on Mr. and Mrs. Jim Wruth on Saturday.

Mr. and Mrs. Russ Robertson, Linda and Doris, also Newt. Thompson, visited with relatives in Latchford over the week end.

Mr. Harold Hill, Mr. and Mrs. Keith Hill, also Jack Hill visited with Mrs. Harold Hill in Lindsay on Sunday and report that she is feeling much better.

Mrs. John Francis and Mrs. Alex Esler spent Saturday evening with Mr. and Mrs. Orville Hicks.

Mr. and Mrs. Guy Bloomfield are visiting with relatives in Toronto.

Sylvia Hoyle of Gelert was the winner of the spelling bee held in the Gelert school on Friday evening between Gelert and Lochlin.

Mr. and Mrs. Ted Francis of Gelert called on relatives here on Sunday.

Mr. and Mrs. Russell Burk attended the hockey match in Bobcaygeon on Saturday night between Bobcaygeon and Haliburton.

Mrs. Jim Dugan accompanied Mr. and Mrs. J. B. Sedgwick and Wendel to Peterboro last Thursday evening where they attended parent's night at the normal school.

Mr. Jack Francis of Ingoldsbay called on friends in the village on Saturday afternoon.

Mr. and Mrs. Bert Hicks and Elva, also Mr. and Mrs. Gerald Hicks and Bev. visited with Mr. and Mrs. Ivan Francis last Saturday evening.

Mr. and Mrs. Jim Dugan, Mrs. Jim Wruth, Mr. and Mrs. Clayton Harrison were recent visitors of Mrs. Chas. Roberts.

Mr. and Mrs. Cecil Harrison called on relatives in Gelert on Sunday afternoon.

The W.A. met on Wednesday afternoon at the home of Mrs. George Exon. Mrs. Warner Casey, who is leaving the village in the near future, was presented with many pretty and useful gifts.

Mrs. Jack Dart spent last Friday with Mr. and Mrs. Cecil Burk.

Mr. and Mrs. Ed. Minaker of Carnarvon, also Mr. Everett Hicks of Bracebridge called on relatives here on Sunday.

WILBERFORCE

Sympathy is extended to Mrs. Dan Bride on the death of her mother, Mrs. Deg, at Brandon, Man., on Tuesday.

Mr. Herb Watson of Bancroft is spending a couple of weeks visiting his niece, Mrs. Moss Billings.

We are sorry to report that Mrs. Fred Taylor, who had her tonsils removed last week has had to return to Haliburton outpost for treatment. However her condition is improving and we wish her a very speedy recovery.

Mrs. Ross Anderson and her grandchildren and Mr. Murray Anderson of Lindsay are week end visitors in the village.

It was a great disappointment to the members of Monmouth figure skating club and to their parents to learn that there will be no figure skating carnival this year, as the teacher is unable to be present for several weeks and the different groups do not know their routines well enough to carry on by themselves. The club president is endeavoring to obtain someone to give some instruction to the children until the teacher returns.

Mrs. Walter Clarke has returned from a week's visit with relatives in Peterboro. Mrs. Clarke has been in poor health for several weeks and her friends sincerely hope she is soon feeling better.

GELERT

Mr. and Mrs. J. B. Sedgwick and Wendal attended a party held on Thursday evening at the teachers college in Peterboro where Genevive is attending.

Mrs. Alec Estler of London visited this week with her mother, Mrs. John Francis.

Last Friday evening Mr. Stouffer, public school inspector for here supervised a spelling bee for grades seven and eight of Lochlin and Gelert schools. Donna Robinson and Eddie Burke of Lochlin, Marlene Sedgwick, Margaret Walker and Sylvia Hoyle of Gelert. Sylvia Hoyle was the winner. Sylvia now goes to Peterboro to compete with other pupils. The first lap toward a prize winner for Ontario. We wish Sylvia the best.

DONALD

Miss Delaine Vickery and Mr. Carl Selmer of Haliburton were Sunday guests of Mr. and Mrs. Bradley Emmerson.

Mr. and Mrs. David Johnson of Camp Wanakita and Mr. and Mrs. Harley Fader of Donald attended the funeral of Mr. Pethick in Woodville on Monday last.

Mr. and Mrs. Bill Rand and Mr. Russell Pringle of Picton, Ont., visited with Mr. and Mrs. Merle Pringle and Mrs. George Pringle on Sunday.

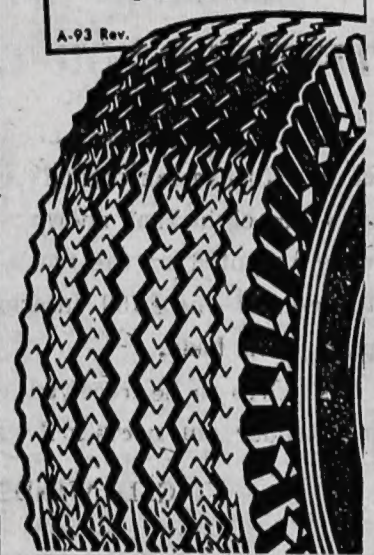

Miss Carol Emmerson attended the hockey match in Bobcaygeon Saturday evening.

Mr. Duncan Emmerson of Toronto spent a few days with relatives here this week returning to Toronto on Saturday.

HUSKIES LOSE TO SUTTON IN VERY ROUGH CONTEST

The Haliburton Huskies, who are gunning for a play off spot ran into a stumbling block in Sutton last Friday night when the Greenshirts defeated the locals to the tune of 15-6.

One of the largest crowds of the season sat in to see the Sutton Greenshirts grab off a 4-0 lead in the first period while the Huskies were unable to turn the red light on. From here on in they were never headed and went on for the win. z z z

It was by far the best game that we have seen the Sutton team play for some time and they just couldn't seem to do anything wrong while the Huskies couldn't seem to do anything right.

At times the locals would be right in on goal but couldn't seem to hit the target. At one time in particular Ken Carnochan had an open net but Ken just couldn't steer the puck home.

Led by Big Canoe, who tallied five times for the Sutton club, they were hot around the net all evening.

It was a very rough game that saw 14 penalties handed out with eight going to Sutton and six to Haliburton.

The game sartered to roughen up in the third period with both teams throwing some good body checks out. The fireworks started when Gord Burlington of the Huskies and Jones of Sutton were put off for five minutes for

high sticking and roughing. After they returned to the ice and with less than a minute left to play a real donnybrook broke out.

It all started when Burlington and one of the Sutton players teed off in the Huskies end of the rink. At this point players from both teams jumped in and the fight was on its way. Schell and Digby got into it and then Sugar Jim Henry jumped in to give Schell a hand. The referee Doolittle and the linesman Carpenter had quite a time getting them all apart. Gord Burlington, the Huskies defenceman came out of the fracas with the back of his hockey sweater torn right off. At this time the penalties were handed out with both teams playing with three men aside but there were only seconds left and the game was over.

Notes on the Game

The Huskies were not satisfied with the refereeing of Doolittle and they thought that they came out on the wrong end of the penalties.

Carnochan and Baker both turned in good performances.

It was a heartbreaker for the locals who could have used that win to get into the play offs.

The Huskies meet Omamee this Saturday night in Haliburton.

The following is a summary of the game.

First Period

Sutton, Jones, Learoyd, 3.12.
Sutton, Paisley, 8.25.
Sutton, Learoyd, Hare, 16.16.
Sutton, Big Canoe, Paisley, 17.10.

Second Period

Haliburton, Carnochan, 0.15.
Haliburton, Baker, Carnochan, 1.35.
Sutton, Holborn, Digby, Big Canoe, 2.13.
Sutton, Learoyd, Clarke, 4.27.
Sutton, Jones, Learoyd, Clarke, 7.26.
Haliburton, Carnochan, Baker, 13.12.
Sutton, Big Canoe, Digby, 14.38.

Third Period

Sutton, Big Canoe, Diby, 5.15.
Sutton, Digby, Jones, Learoyd, 8.48.
Sutton, Learoyd, Digby, 9.15.
Sutton, Big Canoe, Paisley, 10.50.
Haliburton, Brohm, Cruise, 11.35.
Haliburton, Cruise, 12.45.
Haliburton, Burlington, 13.50.
Sutton, Jones, Learoyd, 14.15.
Sutton, Big Canoe, Learoyd, 16.33.
Sutton, Learoyd, Jones, 17.53.

The referee was Doolittle of Aurora and linesman, Cec. Carpenter of Sutton.

Minden Monarchs Win Over Sutton

The Minden Monarchs, who are the hottest club in the league at the present time pushed their way closer to the top spot last Thursday night when they downed the Sutton Greenshirts by the score of 8-6. A crowd of 275 turned out to see Marcel Pryor, the scoring ace of the Monarchs, turn in a four-goal performance to lead his team to the win.

It was a very clean game handled by referee Pud Hamilton of Huntsville and linesman Max Jackson of Minden.

Seven penalties were handed out in the game—four going to Minden while Sutton had three.

It was one of the poorer games played in Minden and the Monarchs didn't seem to have the same drive that they had in other games.

Sutton, who only dressed eight players, put up a good game and fought it hard right down to the wire. Sutton just can't seem to ice a full team on away games. It's not good for the fans.

The following is a summary of the game.

First Period

Minden, Glen Vasey, Loughheed, S. Yearwood
Sutton, Morrison.
Minden, Pryor, H. Vasey.
Sutton, Big Canoe.
Minden, Gary Vasey.

Second Period

Minden, Pryor.
Minden, Glen Vasey, H. Vasey.

Sutton, Jones, Hare.

Third Period

Minden, Pryor, Gary Vasey.
Minden, Pryor, L. Yearwood.
Sutton, Clarke, Learoyd.
Minden, Loughheed, S. Yearwood, Glen Vasey.
Sutton, Learoyd, Clarke.
Sutton, Big Canoe.

Highlights of the Game

Bob Beanie was in the nets for the Monarchs and played a good game.

Big Canoe, playing for the Sutton Greenshirts is a tower of strength on the forward line and is one of the top goal-getters for the Sutton club.

It was good to see Max Richardson back on the defence for the Monarchs and Richardson came up with another one of his usual steady games.

Trailing by four goals the Sutton club started to show life in the last 10 minutes of the game and they banged in two more counters but couldn't seem to get the other two markers that would have tied up the game.

Sutton's sub-goalie, Joe Carpenter, was in the net and played a standout game for the losing Greenshirts.

The Monarchs finish their schedule against Bobcaygeon at Minden this Saturday night.

Loose Ends On Sport

Comes the time now when hockey teams start to get off the trail in a hunt for a play off position. We hear that one of the first teams to go out of the running is the Lindsay Muskies.

Reports from Oakville tell us that former Huskies' star Herb Baker is well up in the scoring race for the Oakville Meteors.

It was very unfortunate that the Haliburton Red Devils had to go down to a 7-0 count at the hands of the Bowmanville Pee Wees in the tournament held in Lindsay last Saturday. It was the first time this season that Ab LaRue's Red Devils had tasted defeat.

We are sorry to report that the Mactier community centre was completely destroyed by fire last week. The fire was believed to have started in the boiler room.

The Haliburton County minor hockey league schedule is drawing to a close and it won't be long now before the play offs.

The Haliburton County hockey league (Little NHL) are running into trouble this season with postponed games that aren't being made up.

Richardson, the sparkling defence ace is back on the job with the Minden Monarchs. He should be a big

help to them in the play offs. After making several adjustments to the p.a. system at the Haliburton community arena it seems to be a lot better. Bruce Henry, who installed the system, put in many hours to get it in proper working order.

The Sutton hockey club has been drawing very small crowds all season and on one occasion paid the fans to attend. Well last Friday night the fans paid and one of the largest crowds of the season sat in to see the Greenshirts down the Haliburton Huskies.

According to several reports the Cobocok Midgets have a real hot team in the OMHA play offs. They are at present playing against Orillia after having won their first series.

The local OHA intermediate "C" schedule is drawing to a close. In many respects it was a very good season but it was unfortunate that Omamee was so badly outclassed by the other teams. The playoffs will soon be under way.

The Rockcliffe Rockets of the Haliburton County minor hockey league received their worst licking of the season last week when Kimmount shut them out by the score of 7-0 at Kimmount. The Rockets were without several of their key players for the game.

Here Comes Omamee

This coming Saturday night the Haliburton Huskies will play their final OHA scheduled game and this game is at the Haliburton community arena when Omamee will be the visitors on Haliburton ice.

The Omamee club have perked up since their last

appearance in Haliburton and it should be a good battle.

Let's all make it a point to come out and see this final OHA scheduled game. The Huskies will be at full strength for this engagement so don't miss it. It's this Saturday night at the Haliburton arena. Omamee vs. the Huskies. Game time is 9 p.m.

O'Keefe's WEEKLY SPORTS CALENDAR

● This Saturday night, February 18 the Bobcaygeon Bobcats will make their final appearance of the season on Minden ice. It's Bobcaygeon vs. Minden at the Minden recreation centre. Game time is 9 p.m.

● The final game of the OHA schedule at the Haliburton community arena this Saturday night when Omamee will play the Huskies. Game time is 9 p.m.

● Haliburton Huskies vs. Minden Monarchs at the Minden recreation centre tonight (Thursday) 8.30 p.m. It's a regular scheduled OHA game.

O'Keefe's O'KEEFE'S BREWING COMPANY LIMITED

LOCAL PEE WEES LOSE OUT

Bowmanville won the Lindsay peewee hockey tournament, thanks to Terry Black's two goals, which turned back Belleville 4-2 in the final game. . . . Johnny Terhune and Alex Wiseman also impressed with singles. . . . Although they had little rest between their semi-final triumph and the final game, Belleville made a fine showing. . . . David Blakely and Dennis Hull played outstanding hockey. . . . Lindsay's mayor Bert Hick, who is also OMHA president, presented the Felix Forbet Memorial Trophy to the winners and the Sullivan-Bennett Trophy to the runners-up.

Bowmanville in the run-down eliminated Haliburton 7-1 and Peterboro 2-1 with Johnny Thompson and Alex Wiseman starring. They also won the draw into the final round.

Belleville, who had to play one extra game, shut out Fenelon Falls 12-0, Brooklin 6-1 and York Township 3-0. Stan Muirhead, Peter Armstrong, Dennis Hull, Robert Burr and Teddy Rowland shared the Belleville goals during their three-game winning streak.

The seventh annual Lindsay peewee tournament was a huge success despite the storm. It was the first win for Bowmanville, Port Perry who held the title for the last two years, were eliminat-

LITTLE N.H.L. HAVE BUSY WEEK

There's quite a busy week coming up in the Haliburton County league. This Friday night, February 17, the Haliburton Polar Kings will play in Minden.

On Monday, February 20, Wilberforce are at Kimmount and on Wednesday night, February 22 the Haliburton club play at Wilberforce.

The teams are going all out now and the crowds are starting to get bigger.

One team out of the five will be left at home so every team is making a final bid for the play offs.

The regular schedule ends on February 27 when Gooderham meet Haliburton.

BANCROFT MIDGETS BEAT WILBERFORCE 7-0

In a fast-moving hockey game last Tuesday the Bancroft Midgets won a decisive victory over the Wilberforce Midget hockey team. Each of the forwards on the Bancroft team scored a goal and Milne picked up his second counter.

The whole Bancroft team played good hockey and although Wilberforce made a comeback in the third period, they were unable to beat the Bancroft defence and goalie.

ed in the first round by Brooklin.

Old? Get Pep, Vim

Feel Full of Vigor; Years Younger

MEN, WOMEN of 40, 50, 60. Don't be old, weak, worn-out, all in, exhausted. Try Oxyton Tablets. Often needed after 40—by body old, run-down because lacking iron increases vigor, vitality. Thousands feel full of pep, years younger. Quit being old. Get Oxyton today. Introductory or "get-acquainted" size only 50¢. At all druggists.

**SCIENCE IN YOUR LIFE****Laboratory Earth**

The ancient Greeks pictured the earth as a flat disc floating on the surface of a world ocean.

Today, almost any schoolboy can describe the earth's true shape, its dimensions and its major land and sea masses. He can probably tell you something about the other planets in our solar system, too, and about stars and galaxies.

The naive conjectures of antiquity have been displaced by a body of precise knowledge drawn from centuries of scientific observation, experiment, and exploration. But much is still to be learned about our physical world.

More than three million square miles of Antarctica remain unexplored. The ocean depths still hold many mysteries. Weather and climate are not fully understood.

Scientists believe that many of the blank pages in our terrestrial book of knowledge will be filled during the forthcoming International Geophysical Year.

Since the earth itself is the laboratory of the geophysicist, nature's routine must be observed on a global scale.

Beginning in July, 1957, scientists of 39 countries will co-operate in a simultaneous probe into the physical nature of man's environment. They will join in an intensive exploration of the Antarctic. A network of observation sites will be established all over the world. Rockets will be launched to explore heights up to 250 miles.

From this mass of concerted observations, scientists expect to gather data to answer many of the unsolved questions in our physical universe. They also hope that the Geophysical Year will provide a common effort on which all nations can agree. The planet Earth is, after all, the one place that all people can claim as "home."

VESTRY MEETING AT**ST. PETER'S MAPLE LAKE**

On Tuesday evening, January 31 the congregation of St. Peter's Maple Lake held their annual vestry meeting. Miss Dora Dawson was appointed vestry clerk and the rector, the Rev. J. F. O'Neil was the chairman.

In his report the rector commended the splendid way in which the jubilee year of the church was celebrated.

The highlight of the year was the visit of the Bishop of Toronto, the Rt. Rev. F. H. Wilkinson and his wife, on the occasion of the jubilee supper in June and the confirmation service held the following day. A special jubilee booklet was also prepared containing the history of the parish. Record congregations attended these special services during the summer.

Reports from the various organizations were encouraging and showed a spirit of sacrifice and service in the work of the church. A number of important improvements are planned for this coming year to mark the entering into a new era in the life of the parish.

The following officers were elected: rector's warden, Mr. Norman Finney; people's warden, Mr. John Morrison; lay delegate to synod, Mr. John Morrison with Mr. Tom Redner as substitute; treasurer, Mr. Wallace Dawson; envelope secretary, Miss Isabel Gibbs; auditors, Mr. Harold Archer and Mr. Tom Welch; chairman of sidesmen, Mr. Charles Skelding.

Letters to the Editor

Haliburton, Ont.,
February 8, 1956.

Mr. B. Feir,
Haliburton, Ont.

Dear Sir:

On behalf of Grade IV pupils, I would like to thank you for the opportunity of letting us see the printing office.

I would like to thank Mr. Wheeler also for explaining the printing press and Linotype. We really enjoyed it very much.

Thanking you again,

Yours sincerely,

Ena Bolton.

ANNUAL MEETING AT**ST. ANDREW'S WEST GUILFORD**

The annual vestry meeting of St. Andrew's Anglican Church, West Guilford, was held on Friday evening, January 27. The meeting was preceded by a delicious pot-luck supper which was enjoyed by all.

The rector, the Rev. J. F. O'Neil was in the chair and Mrs. Sid Sisson was appointed vestry clerk. The various reports received showed all obligations met including the church extension allotment to the synod. In addition several important improvements to the building have taken place over the year. The most notable of these was the new glass for the windows of the church. The financial statement records a healthy balance in the bank.

The rector recorded his appreciation of the general and progressive spirit of the congregation and he outlined several projects which are needful for the new year.

The following officers were elected for 1956. Rector's warden, Mr. Ross Pritchard; people's warden, Mr. Lorne Cooper; lay delegate to synod, Mr. Keith Sisson with Andy Sisson as substitute; treasurer, Mrs. Sid Sisson; envelope secretary, Mrs. Geo. Jones; auditors, Mrs. Holly Sisson and Mrs. Andy Sisson.

SENIOR CITIZENS**MEET AT ARMY**

The Salvation Army was host to a good percentage of the senior citizens of the village at a turkey supper and program. Of the 75 invitations sent out, 38 were in attendance.

Following supper Lieut. G. Leonard, the commanding officer, brought words of welcome to the guests. He expressed his desire to make a happy and profitable evening.

The Salvation Army is indebted to Dr. H. Good, Miss Jane Minott and the local Home League, Mrs. G. Keefe, secretary, without whose co-operation and contribution, the evening would have been impossible. The transportation service provided by Miss J. Minott, Mr. George Keefe and Lieut. G. Leonard was greatly appreciated. It was regretted that Dr. Good could not remain for the evening.

Miss J. Minott thanked the officers for such a thoughtful gesture in planning this special evening and on behalf of the senior citizens thanked the ladies of the Home League for the delicious supper. Words of thanks were also spoken by Mrs. M. Davies and Mr. J. McKnight.

Upon retiring to the main auditorium a helpful hymn-sing was enjoyed. This was evidenced by the enthusiasm of the singing. Following a group quiz Lieut. Leonard showed scenic colored slides of the Haliburton district, depicting the autumn grandeur of the highlands.

At the conclusion of the evening all joined hands and sang "If I Have Wounded Any Soul Today." Mrs. G. Leonard closed with prayer. It was suggested that this become an annual event.

HALIBURTON

Mr. Dennis Snider, who is employed in Toronto, spent the week end at his home here.

Mr. Bill Harding, who is employed near Fenelon Falls, spent the week end at his home here.

Mr. Ross Curry of Haliburton was a business visitor to Toronto this week.

Mr. Paul Thain of Toronto spent the week end with friends in the village.

Mr. Don Dart of Lindsay was a visitor to his home here on Sunday.

Mr. Albert LaRue took his pee wee hockey club, the Haliburton Red Devils, to the pee wee hockey tournament held in Lindsay on Saturday last.

Miss Barbara Millington of Toronto spent the week end with friends in the village.

Mr. and Mrs. Glen Blair of Oshawa spent the week end with relatives in Haliburton.

Mr. and Mrs. Bill Morgan of Toronto spent the week end at the home of Mr. and Mrs. Arvo Rinne.

Many of the Haliburton Huskies' hockey supporters attended the hockey game in Bobcaygeon on Saturday night.

Dr. H. P. Bishop of Brampton spent the week end in Haliburton.

Mr. Larry Donaldson, who is employed with the HEPC, spent the week end at his home here.

Mr. and Mrs. Murray Hadlow of Haliburton were week end visitors to Toronto.

Mr. and Mrs. Keith Carnochan of Peterboro spent the week end with relatives in Haliburton.

Mr. Lou Consky of Toronto spent the week end at his home here.

Mr. and Mrs. Fred Ewing of the Haliburton Restaurant, were visitors to Toronto last week.

Mr. John Winn of Lindsay was a visitor to the village over the past week end.

Mr. Carl Hussey of Toronto spent the week end at his home here.

Miss Joan Nicol of Toronto spent the week end at her home here.

Mr. Jack Bannon, who is employed by the hydro, spent the week end at his home here.

Mr. Bob Bannon, salesman for Chow's Hardware at Kingston, was a business visitor to the village last week.

Mr. Erven Hoxie, who is employed with the Bridge and Builders at Belleville, spent the week end at his home here.

Miss Noreen Clarke of Toronto spent the week end with relatives in the village.

Mr. Al. Rushton, formerly of the Echo staff and who is now employed in Toronto, renewed old acquaintances in Haliburton over the week end.

Mr. David Steinberg went to hospital in Toronto last week where he underwent surgery. We wish him a speedy recovery.

Cubs Hollow

The meeting opened with the grand howl led by Honor Six Gary Roberts. Cubmaster Salvatori was assisted by sixers Little and LaRue in the inspection. There has been an improvement in the cub attendance but for next month they would like to see 100%.

The first game was called "poacher," a group competition game. The next game was called "blow" which was won by Grey Owl and Red Fang.

The next game was a knot relay, the "sheetbend," won by Brown Tip.

Ten minutes were spent practicing touch your toes, knee bending and testing on the highway code.

The campfire started with the song the Maple Leaf Forever and Blow the Man.

At the closing of the meeting duty sixers Peter Curry and David Reynolds totaled the points for the month and discovered that Red Fang had won for the fifth consecutive month with 285 points.

The cub standings and points for January are as follows:

Red Fang	285
Black Plume	277
Grey Owl	242
Brown Tip	225

Star Work

Jim Scheffee described the three flags. Richard Stinson recited O Canada and the three flags and tender pad Peter Arntfield gave the Law and Promise.

At a scout committee meeting a few weeks ago it was decided to ask the ministerial association to have one minister a week visit the meetings of the scouts and cubs.

After a meeting of the ministerial association they informed us that a minister would come to the meeting of every month commencing in February. On our first meeting in February we had Lieut. Leonard as our visitor.

Jim Scheffee, acting as honor six led in the Grand Howl. Lieut. Leonard helped in the inspection and in playing games.

A reef knot relay was won by Black Plume. The next game was called "bombing" and with help from bombardier Leonard, Grey Owl six managed to hit the target 13 times to lead the pack. The next game was called poacher and the farmer, and it took four farmers to catch the poacher, Jack Curry.

At our campfire Lieut. Leonard told the boys a story of an Indian boy who got lost in the woods but he had a drum which his father had made for him and when he was lost he just beat on his drum and his father would hear it and come to search for him. Lieut. Leo-

HUSKIES WIN ONE AND LOSE ONE

The Haliburton Huskies traveled to Omeenee on Monday night and gave the Omeenee team a real trouncing to the tune of 11-4. Defenceman Joe Des of the Huskies was the locals big scorer with three goals while Kellett and Moore both tallied twice and Paker, Carnochan, Burk and Brohm got single markers.

A very small crowd of 25 people were in attendance. There were more players on the ice than fans watching the game.

The Bobcaygeon Bobcats proved too much for the Huskies on Saturday night last when they took the locals into camp to the tune of 8-5. A very large crowd attended the game in the new Bobcaygeon arena and a large number from Haliburton were down to cheer on the Huskies. The hockey club chartered a bus for the occasion and it was sold out long before the bus pulled out.

The game was another rugged tussle between the two clubs with the boys mixing it.

Haliburton WMS

The regular meeting of the Haliburton WMS was entertained at the home of Mrs. Russell Johnston on Friday evening, February 10 with a good attendance. Mrs. C. Manning, newly appointed president, opened the meeting with prayer.

The devotional period was led by Mrs. W. R. Curry, subject being "The Call to Mission of the Church Through Service and Citizenship."

The Haliburton WMS received honorable award for having read the most number of books per member in the Lindsay Presbytery.

Mrs. N. Roberts very ably gave a most interesting talk on Christian citizenship.

Dainty refreshments were served and a social hour enjoyed. Next meeting will be at the home of Mrs. W. R. Curry.

up at different times in the game.

Des, Cruise and Baker with one goal each and Ken Carnochan with two were the Haliburton goal getters.

ST. VALENTINES DANCE A SUCCESS

Nearly 100 citizens of Haliburton village and surrounding area attended the Valentine dance held in the Legion hall on Friday evening.

For this gala affair, the hall was beautifully decorated. Eight giant white streamers decorated with red hearts were strung across the width of the hall. Gay cupids twirled joyously from the ceiling above the dancers heads. Each window and on either side of the bandstand large which frilled red hearts carried out the Valentine motif. Small tables tastefully set with bowls of assorted nuts lined the side walls.

Smooth dance music, under the leadership of Mr. Marshall Leighton was enjoyed by the dancers. Mr. Roy Brohm, as master of ceremonies, awarded prizes to the following: Mrs. Vance English, spot dance; Mrs. Robert Brohm, birthday; Dr. Jean O'Neil, spot dance; Mrs. Robert Bishop Jr., birthday, Mr. Vance English, door prize and Mr. Earle Murphy, birthday dance.

At one o'clock the buffet table was set up near the centre of the floor. The table was lovely with its centre-piece of dark red carnations flanked by four glowing white tapers. White tables made a fine background for the attractive plates of delicious salads, cold meats, relishes and dainties that comprised this smorgasbord. Coffee and tea were served from the kitchen bar.

During the lunch soft music was supplied by Mr. Bruce Henry with his tape recorder.

Much credit for this happy occasion must go to Mrs. Bert Curry, convenor of the Red Cross programs committee and Elizabeth M. Nicol, convenor of the social committee. Through the joint efforts of these committees the dance was an outstanding success. Mrs. Curry was ably assisted by Mr. Larry Taylor and Mr. Glen Austin who decorated the hall. President of the Red Cross branch, Mr. Jim Cooper, also assisted Mrs. Curry by taking over the business of selling and taking tickets. The art class at the Haliburton high school night classes, under the tutelage of Mrs. Oscar Yarnold, drew the oil painted posters which advertised the dance.

Elizabeth Nicol was given splendid co-operation by the members of her committee, Mrs. Cliff Dawson, Mrs. Bruce Henry and Mrs. Robert Bishop Jr. Mrs. Marshall Leighton also ably assisted this committee at this function. Miss Jane Minott's assistance during the lunch hour was most helpful.

In town, thanks is due to many, many ladies who so willingly donated salads, baked tiny cookies and tarts, etc. Thanks is also due to Mrs. Lloyd Madill at Eagle Lake, Mrs. Bessie Burke at Lochlin, Mrs. Holly Sisson, Mrs. Ken Plourde and Mrs. Cecil Stamp and other ladies in West Guilford who supplied delicious salads and delivered them to the Legion hall.

Mrs. Myrtle Davies and Mrs. Max Sisson voluntarily assisted the convenors in cleaning and tidying up the kitchen on Saturday afternoon.

The entire proceeds of this dance were given the Red Cross executive to assist it in maintaining the Red Cross outpost.

The convenors extend their heartfelt thanks to all the citizens who made this dance such a memorable one. It is hoped that these two convenors will make the Red Cross Valentine dance an annual affair.

EAGLE LAKE

Mr. W. J. Flannagain of Lewiston, N.Y., and Mr. J. L. Bulcher of Delaware, Ohio, were week end visitors at the home of Mr. and Mrs. Fred Greer.

Mr. Fred Greer made a business trip to Niagara Falls, N.Y. on Thursday last returning to Eagle Lake on Friday, February 10.

Tpr. Anderson, G.C.D., of Camp Petawawa was home for the week end.

Miss Doreen Besse, Mr. Jack Besse were at home from Toronto from Friday evening until Sunday evening.

Mrs. Alvin Fligg of Toronto is spending a week with her sister, Mrs. Walter Besse.

Mrs. Anna Fluker and Mrs. Fligg drove to Toronto on Monday. Mrs. Fluker is spending a couple of weeks visiting friends in the city.

The beaver has gone from the bridge where the water is now too low for him.

The West Guilford-Eagle

Lake boys hockey team won their first play-off game against Minden on Friday night at Haliburton 3-2. They play again on Monday evening against Minden and if they win this one they play off against the winner of the play off between Wilberforce and Haliburton.

Lots of snow over the week end—seven inches of new snow. Looks as though we will get the average fall which should help our lake level in the spring.

Five of our leading citizens went into the outpost hospital on Sunday to donate blood to Arnold Roberts, older brother of Norm Roberts of Haliburton and uncle of Lewis Roberts. The donors were Mrs. Arthur Hill, Mr. Bob Moore, Mr. Water Besse, Mr. Harry Hobden and Lewis Roberts.

Mrs. John Madill is recovering after being ill with sciatica which she has had for the past few weeks.
